

GET STARTED WITH STAMPING

When you are introduced to Stampin' Up! and the *Idea Book & Catalogue* for the first time, it can be hard, if not daunting, to know where to start. This how-to lists some product suggestions to get you stamping. This is not an exhaustive list and is based on my personal experiences and the *Getting Started with Stamping* guide on page 16 of the *Idea Book & Catalogue*.

The *Getting Started with Stamping* guide lists five basic products you need to get stamping – stamp, ink, paper, cutting tool and adhesive. Here are some suggestions to get you started with stamping...
